R.O.C. No. 3055/36.

Station Udipi, *Dated the* 25th November 19 36.

From (Name) M. R. Ry. M. Narayana Shenoy, B.A., B.L.,

(Designation) Commissioner, Udipi Municipality.

To The Secretary to the Government of Madras,

LOCAL SELF GOVERNMENT Department.

Through The Chairman, Udipi Municipal Council, Udipi.

Sir,

Pending the fixation of the strength of establishments, the Government in G.C.No.Ms. 357 P.H., dated 5-2-1936 were pleased to sanction the employment temporarily by Udipi Municipal Council of one Maistry, sixteen sweepers and ten scavengers with other establishments. The number of sweepers and scavengers, viz. 22 only, in the employ of the District Board was absorbed in the Municipality as per para 3 of the said G.O., the remaining four sweepers and scavenger help, employed within the Board limits was not absorbed. (vide letter Ref.C.No.138-A4/35 dated 29-2-36 of the President, District Board, South Kanara.)

2. The Sanitary Inspector reports that the present staff is not adequate to cope with the increasing conservancy and scavenging work in the Municipality with an area of 3.73 square miles, ~~has to attend to~~. I recognise that the present sanitation and conservancy establishment is too poor to attend to the growing needs. The council was - therefore moved by me to sanction the employment of 4 sweepers 6 scavengers, - as a modest measure of advance - on a monthly salary of Rs.8/- per month. The council was pleased, in its resolution No.20 dated 23-11-36, (copy enclosed) to sanction the staff with effect from 1-12-36. The appointment of the Maistry has, however, been taken exception to by three members, who have submitted notes of dissent. The copies of the - minutes and the Chairman's forwarding notes are enclosed.

p 3 urgent

3. There is provision in the budget for 5 additional - sweepers and 15 additional scavengers each on Rs.10/-. When the number of menials increase the supervision staff has also to increase. Further the new Maistry will attend to the - additional work of supervising the lighting at night and serving of notices of the Vaccinator etc.

4. The Government may be pleased to approve the proposal of the council and pass very early orders thereon.

Your obedient servant,

COMMISSIONER.

Dear Sir,

With regard to the Resolution passed by the council yesterday on Item No.12 of the agenda for the meeting held yesterday, I beg to record the following note of dissent:-

Note of Dissent.

The resolution for the appointment of the orderlies in question is not in order as no provision has been made in the current budget for the pay of the said orderlies. Even on the merits I am not satisfied that the appointment of the orderlies is either absolutely necessary or justified by the state of the finances of this Municipality. The Chairman appeared to hold that there was much pendency of papers in the office and that this would be remedied by the appointment of two orderlies, one for the Chairman and the other for the Commissioner. I do not agree that the orderlies can have anything whatever to do with the disposal of papers in the office.

To

The Chairman,
Udipi Municipal Council,

Sir,

I have the honour to hereby submit the following dissenting notes against some of the items sanctioned in the Municipal Council meeting held yesterday. (23-11-36)

In the matter of entertaining of two orderlies on a monthly pay of Rs.10/- each in addition to the two already existing office peons, sanctioned by the council in yesterdays meeting - I beg to state that though repeated requests were made during the last two months to the Chairman to supply the Councillors with full stencilled copies of the budget of this financial year submitted to the Government by the Special Officer, to enable the councillors to study the budget provisions in details, the Councillors ~~to study~~ were supplied only with a portion of the budget figures without the copy of the explanatory memorandum, that from the answers to my interpellations answered on 23-10-36 I find that the budget is affected to the extent of Rs.8784/- by the reduction of the annual rental values of properties and consequent reduction in the property tax after the disposal of the revision petitions by the Commissioner, that there is every possibility of a further reduction of the property tax on the disposal of appeals which are being heard now by the Appeal committee, that no information is available to the council as to the exact position of the finance of the municipality, that the cut in the elementary school teachers pay still continues inspite of our levying the Education tax, that as far as I know no provision seems to have been made in the budget for the appointment of the two orderlies I am of opinion that it is not justifiable to sanction the appointment of these two orderlies at this stage without forming the financial implication therein. (paper No.13)

(Paper No.2C) - In view of the same reasons given above I do not also approve of the sanctioning the appointment of

extra maistry on a pay of Rs.12/- per month.

(Paper No.17) For similar reasons as above I am also opposed to the taking over by the Municipality of the travellers Bungalows& rest houses.

I am of opinion that all these above items could have been postponed for consideration in the next budget meeting when the council will have the full knowledge of its financial position. Hence this dissenting note.

Yours obediently,

Sd:- P.G.Achar,

Sir,

I have the honour to hereby submit the dissenting notes on some of the items sanctioned in yesterdays meeting of the municipal council as follows :-

Paper No.13:- I am opposed to the sanctioning of two orderlies on a pay of Rs.10/- each, in addition to the two existing office peons in view of the fact that no information is available to the council as to the exact position of the finance of the municipality, that a full copy of the budget is not supplied to us inspite of our repeated requests, that no provision seems to have been made in the budget for the appointment of these orderlies and that the council is not yet paying the full pay of the elementary school teachers.

Papers No. 17 & 20:- For similar reasons as above, I am opposed to the sanctioning the appointment of a registry and taking over of the travellers bungalows and rest houses by the municipality

Further after my interpellation No.32 I put the following question:- Is is a fact that this newly appointed clerk is a close relation of the Chairman? This question you said you have disallowed, But I regret to note that both my question as well as your ruling are not noted in the minutes book. I request that both the question as well as your ruling on it may be noted in the munites book.

Sir,

With reference to resolution No.13, dated 23-11-36, I have the honour to state that I desire to record my minute of dissent thereto. The appointment of two orderlies without knowing the financial effects thereof cannot be approved. The consideration of the matter could have, conveniently, been referred to the Budget Committee for being thrashed out.

2. There are only two peons in the office and one night watchman. There are no peons or orderlies for the Chairman or the Commissioner. Both of them badly require orderlies and I understand that elsewhere, the Chairman and the Commissioner have each a peon or an orderly. Both have perforce to receive visitors on official business at home and may have to take papers home for disposal. The posts sanctioned are subject to approval of Government.

3. The amount required to pay the two orderlies in the current financial year will be Rs.30/- only and this amount is certainly available in the budget.

4. The income from the Travellers Bungalows may be sufficient to maintain them and they may not be losing concerns to the Municipality.

5. Provision is made in the budget for the employment of 5 additional sweepers and 15 additional scavengers each on Rs.10/- per month for the whole of the budget year, and what is now sanctioned by the council is only 4 sweepers and 5 scavengers on Rs.8/- per month and a maistry on Rs.12/- per month. There are only 4 months more in the current year. When the number of menials increases the supervision staff has also to increase. The supervision by the only one maistry of the work of menials in 12 wards comprising an area of 3.73 square miles will not be effective and may give rise to complaints. The appointment of one additional maistry is only a small advance. Further the second maistry sanctioned by the council will be required to supervise lighting at nights and to serve the notices of vaccination etc.

Establishment - Public Health - Udipi Municipality - conservancy and private scavenging staff.

Ref:- Government Memorandum No.20212-1E1-P.H., dated 4-1-37.

I submit herewith a copy of the letter Ref.C.No.738-A4-35 dated 29-2-36 of the President, District Board, South Kanara. It would be seen from the President's letter that 3 sweepers and a scavenger were employed by the District Board in other places not falling within the municipal area. The Special Officer therefore did not entertain the full strength sanctioned by Government for the Udipi Municipality I am not aware what orders have been passed by Government on the President's reference. It now appears to me that under memorandum No.29852-1E1-, P.H., dated 9-8-35 and G.O. No.2975 L.S.G., 9-7-36 the sanction of Government is prima facie unnecessary, but in view of the large number of hands proposed to be entertained and as a maistry also is to be entertained, I consider it necessary to obtain orders of Government.

The staff sanctioned in the G.O. referred to above was as follows:-

Udipi Town.
One Sanitary Inspector,
One " Maistry.
16 sweepers including one part-time sweepekar.
10 scavengers
& 1 water lorry driver.

The municipality appears to have

employed the whole of the staff except 3 scavengers and one sweeper. The Council now wants to employ, instead of the four menials who were not originally appointed , 4 sweepers and six scavengers and in addition one sanitary maistry. Some of the Councillors object to the employment of the additional maistry which they consider superfluous. The D.P.H's recommendation is that the full staff sanctioned in G.O.No.357 P.H.dated 5-2-36 may be appointed. This may be accepted.
